

DISCLAIMER

It is essential that you read this document thoroughly and in its entirety prior to participating in the NFZEUM project.

This disclaimer notice (the **Notice**) is provided by NFZEUM Pty Ltd., an Australian company incorporated in Australia with limited liability (collectively with its affiliates, **we**, **our** or **us**). Any statements and representations made by us or on our behalf, and any use of the utility tokens issued by us (the **Tokens**) or of any platform, service or protocol upon which our Tokens operate (the **Project**), regardless of whether such Project is owned, operated, developed or otherwise controlled by us, shall be subject to this Notice. Please read this Notice carefully before using or interacting with the Project or the Token. In addition, the Tokens are subject to additional terms and conditions that may be amended by us from time to time. The Project may also be subject to additional terms and conditions that may be amended by the owner of the Project from time to time.

You should seek personal legal and financial advice from prior to acting on the details contained in this Notice and any other information released or made available by us.

Our tokens are not Securities or any other financial product

The offer described by us is not an offer of securities or any other financial product.

We do not make any warranties or representations of any kind with respect to the Tokens, and we disclaim all warranties and representations relating to the Tokens, whether express or implied, including but limited to, any implied warranties of merchantability, fitness for a particular purpose, title, and non-infringement.

Our Tokens are utility tokens. They are only used for the purposes of purchasing products displayed or marketed on our platform. Our Tokens must not be used for any other purpose. There is no guarantee that the Tokens will perform as expected or hold any particular value or price. The Tokens may lose some or all of their value. We do not make any promises with respect to the Tokens, its price, value, supply amount, performance, etc. We cannot and do not influence the price of the Tokens or its performance, and assume no liability to any person for the Tokens, their performance, value or loss in value, the use or inability to use the Tokens.

Our Tokens are not an investment, security, share or equity interest, debt or loan nor a derivative instrument of any of the foregoing or any other financial product. The information published by us and anything communicated or provided by us does not, in any way, constitute: (a) financial product advice in any financial product; (b) apply for, issue, vary, dispose of any financial product; (c) a prospectus or offering document or is an offer to sell; or (d) solicitation of an offer to buy Tokens or any other asset.

The Tokens do not provide any person with any rights with respect to us or our affiliates, their revenues or assets, including, but not limited to, any voting, distribution, redemption, liquidation, proprietary or other financial or legal rights, nor are the Tokens intended to provide any person with any other rights of any type. The Tokens are not a loan and do not provide any right of ownership or other interest.

Since our Tokens are utility tokens used only for the purpose set out in this Notice, the Tokens have not and will not be registered with any government agency. Unless expressly allowed by us at our discretion, Tokens cannot be received, used, or held by, transferred or sold to a person who is in any jurisdiction in which the acquisition and/or ownership of our Tokens is prohibited by any relevant law.

NFZEUM is not providing Investment Advice

It is your responsibility to seek financial, legal, or professional advice prior to participating in the Project.

To the extent permitted by the applicable regulations, rules, and International Laws, and those of participants' country of residence, we shall not be liable for any losses that are indirect or otherwise, that may be in connection to the reliance of this Notice or any other information released or provided by us.

General Notice

There are risks involved with blockchain technology and digital currency, and you should appropriately review and research prior to the participation in the Project.

Invitation

The invitation we make available is for the participation in Project via the Tokens.

Representation and Warranties

By participating in the Project you agree, understand and acknowledge the information set out in this Notice and that:

1. This Notice or any information we make available does not represent a guarantee or a promise of; future prospects, features of the project and/or any form of legally binding agreement between the us and the reader of this Notice;
2. You are only permitted to access this document pursuant to the laws of your country of residence;
3. We (and any of our affiliates) are not liable for any losses of any kind arising from the reliance of this document; and
4. Currency referenced are expressed in US dollars unless otherwise stated.

Guarantee

This document should not be relied upon as a promise or representation of our future projections and does not afford any guarantees or promises. All features/platforms and phases referenced in this Notice or any other information released or made available by us are not guaranteed. This document does not guarantee that the service/s mentioned will be released. If a product is released there is no guarantee that it will resemble or included the features listed in any information we release or make available.

Privacy

You may be required to provide personal information to us. Information will be stored and used in accordance with our privacy policy located on our website.

New and Updated Project Information

Information may need to be updated from time to time relating to the Project and made available on our website or our social media platforms.
